Parent/Student Confirmation Concerning Prior Disciplinary Actions

We, the undersigned Parent/Guardian and Applicant Student, understand that disciplinary actions which have been taken against the Applicant Student by other educational institutions will not necessarily prevent the enrollment of the Applicant Student at Presidio High School

We understand that if the Applicant Student has been suspended, or is in the process of being suspended or expelled, or has been expelled by an educational institution, the Applicant Student is required to meet with Presidio High School's Dean of Students for the purpose of disclosing and discussing all details relating to the Applicant Student's disciplinary history. It is further understood that the Applicant Student's eligibility for enrollment and the conditions under which he or she may enroll at Presidio High School will be determined at that meeting.

We understand that acceptable documentary evidence regarding all pending or existing disciplinary actions involving the Applicant Student must be provided to Presidio High School prior to a meeting between the Applicant Student and the Dean of Students.

We understand that an omission or refusal to disclose existing or pending disciplinary actions may result in immediate and permanent revocation of the Applicant Student's enrollment at Presidio High School.
